STANDING OF CLUBS. Table with 4 columns: Club, W, L, Pct, and another Club, W, L, Pct. Rows include Boston, Baltimore, New York, Cleveland, Philadelphia, and Brooklyn.

LOUISVILLE, August 3.—To-day's game was declared forfeited to Louisville 9 to 0 by Umpire Lynch, on account of Captain Anson refusing to play with the balls furnished by Manager Barnie, claiming that they were some of an inferior lot left over from last year. The trouble arose over yesterday's kick by the Colonels, who claimed that Wilmet, left fielder of the Colts, had put a "finger" into the game in the fifth inning, in the shape of a live ball. When the game was called to-day Anson walked out to the plate with a box of balls, which he handed to Umpire Lynch, accompanied with a message from President Young, stating that they should be used in to-day's game. Manager Barnie refused to play the game with the balls furnished by Anson, holding out for his rights as stipulated in the rules, which state that the home club shall furnish the balls. Anson positively refused to play with the balls furnished by Manager Barnie, and Umpire Lynch gave the game to Louisville.

SHAGART'S GOOD CATCH. PITTSBURGH, August 3.—Pittsburgh lost to-day's game through stupid base running and poor coaching in the ninth inning. A sensational catch of a liner near the fence by Shagart, and the Browns' hard hitting, were the features. Attendance, 2,000. Score: PITTSBURGH 10, B. F. A. 8. ST. LOUIS 10, B. F. A. 8.

ST. LOUIS, August 3.—Following were the results of to-day's races at the National circuit bicycle meet at the South Side track: One-third mile, open, class B—J. P. Bliss, Chicago, first; E. C. Bald, Buffalo, second. Time, .45.

AT BRIGHTON BEACH. NEW YORK, August 3.—The attendance to-day was again light at Brighton Beach and as there are but three days more of the meeting the class of horses are getting steadily worse. The most promising race on the card was the handicap for three-year-olds at a mile. Sam Weller took up the running with Our Maggie beside him in the last quarter, while Tom Tough lay close up in case of accidents. Then Sam Weller gave way and Little Matt joined Our Maggie, racing that way to the end while Tom Tough finished third. Summary: First race, seven furlongs, selling—Shadow, 102 (Carter), 12 to 5, won. Time, 1:30.4.

THE SARATOGA RACES. SARATOGA, N. Y., August 3.—A bad start caused a postponement of the match race between Pierre Lorillard's Redwax and Walbaum's Rosemore, the owners deciding not to have the race come off until the conditions shall be right for a good race. Saratoga's defeat in the handicap, at a mile and a sixteenth, the fourth race, was a disastrous upset for the talent, who willingly accepted odds of 3 to 5 on. Lisle ran at a good race, opening up a big gap at the very start and holding a clear lead right up to the finish. Summary: First race, six furlongs—Senolia, 100 (Perkins), 4 to 1, won; time, 1:16.3. Second race, four and a half furlongs—Favora Colt, 108 (Doggett), 4 to 1, won; time, .57.1.

A MIRACLE IN MISSOURI.

The Achievements of Medical Science—Far More Wonderful Than the Magic of the East.

The Remarkable Experience of Postmaster Woodson, of Panama, Mo. For Ten Years a Cripple—To-day a Well and Hearty Man.

From the Kansas City Times. The people of Rich Hill, Mo., and vicinity, have recently been startled by a seeming miracle of healing. For years one of the best known men in Bates and Vernon counties has been Mark M. Woodson, now postmaster at Panama, and brother of ex-State Inspector of Mines C. C. Woodson, of this city. The people of Rich Hill, where he formerly resided, and of his present home, remember well the bent form, misshapen almost from the semblance of man, which has painfully bowed its head half to earth and labored snail-like across the walks season after season, and when one day last month it straightened to its full height, throw away the heavy butt of cane which had for years been its only support, from total helplessness, and walked erect, firmly, unhesitatingly about the two cities, people looked and wondered. The story of the remarkable case has become the marvel of the two counties. Exactly as Mr. Woodson told it to a Times reporter, it is here published:

"For ten years I have suffered the tortures of the damned and have been a useless invalid to-day I am a well and hearty man, free from almost every touch of pain. I don't think man ever suffered more acute and constant agony than I have since 1884. The rheumatism started then in my right knee, and after weeks of suffering in bed I was at last relieved sufficiently to arise, but it was only to get about on crutches for five years, the ailment having settled in the joint. Despite constant treatment of the most eminent physicians the rheumatism grew worse, and for the last four years I have been compelled to go about bent half toward the ground. In the winter of 1890-91, after the rheumatism had settled into its most chronic form, I went to Kansas City upon advice of my brother, and for six weeks I was treated in one of the largest and best known dispensaries of that city; but without the slightest improvement. Before I came home I secured a strong galvanic battery, this I used for months with the same result. In August, 1892, I went to St. Louis, and there conferred with the widely known Dr. Mull of hospital practice fame, and Dr. Kase of the city hospital. None of them would take my case with any hope of affording me more than temporary relief, and so I came home, weak, doubled with pain, helpless and despondent.

"About this time my attention was called to the account of a remarkable cure by Dr. Williams' Pink Pills for Pale People of locomotor ataxia, rheumatism and paralysis. I ordered some of the pills as an experiment. When I began to take them, the rheumatism had developed into a phase of paralysis; my leg from the thigh down was cold all the time and could not be kept warm. In a short time the pills were gone, and so was the cane. I was able to attend to the duties of my office, to get about as a well and strong man. I was free from pain and I could enjoy a sound and restful night's sleep, something I had not known for ten years. To-day am practically, and I firmly believe, permanently cured of my terrible and agonizing ailment. No magician of the East ever wrought the miracle with his wand that Dr. Williams' Pink Pills did for me."

To verify the story beyond all question of doubt Mr. Woodson made the following affidavit: STATE OF MISSOURI, ss. COUNTY OF BATES, } ss. I, M. M. Woodson, being duly sworn on my oath state that the following statements are true and correct as I verily believe. M. M. Woodson. Subscribed and sworn to before me this 3d day of March, 1894. J. D. Moore, Notary Public.

Second race, four and a half furlongs—Favora Colt, 108 (Doggett), 4 to 1, won; time, .57.1.

THE SARATOGA RACES. SARATOGA, N. Y., August 3.—A bad start caused a postponement of the match race between Pierre Lorillard's Redwax and Walbaum's Rosemore, the owners deciding not to have the race come off until the conditions shall be right for a good race. Saratoga's defeat in the handicap, at a mile and a sixteenth, the fourth race, was a disastrous upset for the talent, who willingly accepted odds of 3 to 5 on. Lisle ran at a good race, opening up a big gap at the very start and holding a clear lead right up to the finish. Summary: First race, six furlongs—Senolia, 100 (Perkins), 4 to 1, won; time, 1:16.3. Second race, four and a half furlongs—Favora Colt, 108 (Doggett), 4 to 1, won; time, .57.1.

JAMES PYLE'S PEARLINE WASHING COMPOUND THE GREAT INVENTION FOR SAVING TOIL & EXPENSE WITHOUT INJURY TO THE TEXTURE COLOR OR HANDS. NEW YORK.

Is It Like This—your package of washing compound that you call "Pearline?" Look at the front of the package, and see. It will be for your own good and your own protection, quite as much as ours. The popularity of Pearline has led to the calling of anything in the shape of powder, which is used for washing or cleaning, by that name. If you find you are using the genuine, we will guarantee that you are well pleased. If you have any complaints to make; we will guarantee that what you have is not Pearline, but some worthless or dangerous imitation of it. Many grocers send these imitations when Pearline is ordered—more profit to them—sure loss to you. Send them back, please. JAMES PYLE, New York.
